TERMINAL DISCLAIMER PURSUANT TO  
37 CFR § 1.321(b)

Hon. Commissioner  
of Patents and Trademarks  
Washington, D.C. 20231

Dear Sir:

Petitioner, The Scripps Research Institute, residing at 10666 North Torrey Pines Road, La Jolla, CA 92037, in the county of San Diego and State of California, represents that it is the assignee of the entire right, title and interest in and to the above-identified application as set forth in an assignment signed on November 30, 1992 and submitted for recordation on December 3, 1992. A copy of that Assignment is submitted herewith.

Petitioner hereby disclaims the terminal part of any patent granted on the above-identified application which would extend beyond the expiration date of the full statutory term of U.S. Pat. No. 5,164,369, issued November 17, 1992, based on U.S. Patent Application Serial No. 07/293,201, filed January 4, 1989, of which Petitioner is also the assignee of the entire right, title and

Best Available Copy

Serial No. : 07/715,397

interest pursuant to an assignment dated October 30, 1991 and recorded at Reel 6167, Frame 0057. Petitioner hereby agrees that any patent so granted on the above-identified application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to U.S. Patent No. 5,164,369, filed January 4, 1989, and issued on November 17, 1992. This agreement is to run with any patent granted on the above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of U.S. Pat. No. 5,164,369, as presently shortened by any terminal disclaimer in the event that one or more later: (1) expires for failure to pay a maintenance fee; (2) is held unenforceable; (3) is found invalid; (4) is statutorily disclaimed in whole or terminally disclaimed under 37 CFR §1.321(a); (4) has all claims cancelled by a reexamination certificate; or (5) is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

The evidentiary documents accompanying or referred to in the instant Terminal Disclaimer have been reviewed by the undersigned and it is certified that to the best of Petitioner/Assignee The Scripps Research Institute's knowledge and belief, title is in the Petitioner/Assignee.

Serial No. : 07/715,397

The undersigned represents that he is a representative duly authorized to sign on behalf of the Petitioner.

Respectfully submitted,

THE SCRIPPS RESEARCH INSTITUTE

## ASSIGNMENT

SCRIPPS CLINIC AND RESEARCH FOUNDATION, a California corporation having principal offices at 10666 North Torrey Pines Road, La Jolla, California 92037, for one dollar (\$1.00) and other valuable consideration, the receipt and sufficiency of which is hereby acknowledged, hereby assigns and transfers onto THE SCRIPPS RESEARCH INSTITUTE, a California corporation having its principal offices at 10666 North Torrey Pines Road, La Jolla, California 92037, its successors and assigns, the entire right, title and interest in and to the patents and patent applications identified in Schedule A annexed hereto, the inventions described therein, and any and all patents, reissues, continuations and extensions of the foregoing through the world, the same to be held and enjoyed by THE SCRIPPS RESEARCH INSTITUTE, to the full end of the term for which a Letters Patent based on any of said Applications is granted, as fully and entirely as the same could have been held and enjoyed by SCRIPPS CLINIC AND RESEARCH FOUNDATION if this assignment and transfer had not been made.

Signed at La Jolla, California this 30th day of November 1992.
